Independent Auditor's Report

To the Members of Duet India Hotels (Chennai) Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Duet India Hotels (Chennai) Private Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Walker Chandiook & Co LLP

Independent Auditor's Report to the Members of Duet India Hotels (Chennai) Private Limited, on the financial statements for the year ended 31 March 2026 (Cont'd)

Information other than the Financial Statements and Auditor's Report thereon

4. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Director's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Director's Report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

5. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Walker Chandiook & Co LLP

Independent Auditor's Report to the Members of Duet India Hotels (Chennai) Private Limited, on the financial statements for the year ended 31 March 2026 (Cont'd)

9. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matter

11. The financial statements of the Company for the year ended 31 March 2025 were audited by the predecessor auditor, BSR & Co. LLP, who have expressed an unmodified opinion on those financial statements vide their audit report dated 28 May 2025.

Report on Other Legal and Regulatory Requirements

12. Based on our audit, we report that the Company has not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) of the Act is not applicable.
13. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Walker Chandiook & Co LLP

Independent Auditor's Report to the Members of Duet India Hotels (Chennai) Private Limited, on the financial statements for the year ended 31 March 2026 (Cont'd)

14. Further to our comments in Annexure A, as required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying financial statements;
 - b) Except for the matters stated in paragraph 14(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended)}, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The financial statements dealt with by this report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with Ind AS specified under section 133 of the Act;
 - e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of section 164(2) of the Act;
 - f) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 14(b) above on reporting under section 143(3)(b) of the Act and paragraph 14(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended)];
 - g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2026 and the operating effectiveness of such controls, refer to our separate report in Annexure B wherein we have expressed an unmodified opinion; and
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company, as detailed in note 32 to the financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2026;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2026;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2026;
 - iv.
 - a. The management has represented that, to the best of its knowledge and belief, as disclosed in note 40 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;

Walker Chandiook & Co LLP

Independent Auditor's Report to the Members of Duet India Hotels (Chennai) Private Limited, on the financial statements for the year ended 31 March 2026 (Cont'd)

- b. The management has represented that, to the best of its knowledge and belief, as disclosed in note 40 to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year ended 31 March 2026.
- vi. Based on our examination which included test checks, the Company, in respect of financial year commencing on 01 April 2025, has used accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same have been operated throughout the year for all relevant transactions recorded in the software except in respect of an accounting software used for maintenance of books of accounts and revenue records (food and beverages) at the hotel level, which is operated by a third-party software service provider and in the absence of any information on existence of audit trail (edit logs) in the 'Independent Service Auditor's Assurance Report on the Description of Controls, their Design and Operating Effectiveness' ('Type 2 report' issued in accordance with SAE 3402, Assurance Reports on Controls at a Service Organization), we are unable to comment on whether audit trail feature of the said software was enabled and operated throughout the year. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with other than the consequential impact of the exceptions given above. Furthermore, other than the consequential impact of the exception given above, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Walker Chandiook & Co LLP

Annexure A referred to in paragraph 13 of the Independent Auditor's Report of even date to the members of Duet India Hotels (Chennai) Private Limited on the financial statements for the year ended 31 March 2026

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment, capital work-in-progress, and relevant details of right-of-use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular programme of physical verification of its property, plant and equipment, capital work-in-progress, and relevant details of right-of-use assets under which the assets are physically verified once in every three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with the programme no physical verification was due during the year and accordingly the question of reporting on material discrepancies noted on verification does not arise.
- (c) The title deeds of all the immovable properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in Note 3 to the financial statements, are held in the name of the Company. For title deeds of immovable properties in the nature of land situated at Survey Nos. 69, 72/1, 73/1A1, 73/1A2, 157/8 (Part), Veerapuram Village, Mahindra World City, Chengalpattu Taluk, Kancheepuram District, Tamil Nadu, India with gross carrying values of Rs 68.45 millions as at 31 March 2026, which have been mortgaged as security for loans or borrowings taken by the Company, confirmations with respect to title of the Company have been directly obtained by us from the respective lenders.
- (d) The Company has adopted cost model for its property, plant and equipment (including right-of-use assets) and intangible assets. Accordingly, reporting under clause 3(i)(d) of the Order is not applicable to the Company.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended) and rules made thereunder.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed as compared to book records .
- (b) As disclosed in Note 40(xiv) to the financial statements, the Company has been sanctioned a working capital limit in excess of Rs. 5 crores, by banks and/or financial institutions on the basis of security of current assets. Pursuant to the terms of the sanction letter, the Company is not required to file any quarterly return or statement with such banks or financial institutions.
- (iii) The Company has not made any investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or any other parties during the year. Accordingly, reporting under clause 3(iii) of the Order is not applicable to the Company.

Walker Chandiook & Co LLP

Annexure A referred to in paragraph 13 of the Independent Auditor's Report of even date to the members of Duet India Hotels (Chennai) Private Limited on the financial statements for the year ended 31 March 2026 (Cont'd)

- (iv) The Company has not entered into any transaction covered under section 185 of the Act. As the Company is engaged in providing infrastructural facilities as specified in Schedule VI of the Act, provisions of section 186 except sub-section (1) of the Act are not applicable to the Company. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of sub-section (1) of section 186 of the Act in respect of investments, as applicable.
- (v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has not specified maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of Company's products/ services / business activities. Accordingly, reporting under clause 3(vi) of the Order is not applicable.
- (vii) (a) In our opinion and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, we report that there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us, we report that no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been previously recorded in the books of accounts.
- (ix) (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender. Further, loans amounting to Rs. 45.10 millions are repayable on demand and Rs. 61.62 millions are repayable at the option of the Company. Such loans have not been demanded for repayment as on date. Further, no interest is payable on such loans or borrowings.
- (b) According to the information and explanations given to us including representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of term loans during the year and there has been no utilisation during the current year of the term loans obtained by the Company during any previous years. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) In our opinion and according to the information and explanations given to us, and on an overall examination of the financial statements of the Company, funds raised by the Company on short term basis have, prima facie, not been utilised for long term purposes.

Walker Chandiook & Co LLP

Annexure A referred to in paragraph 13 of the Independent Auditor's Report of even date to the members of Duet India Hotels (Chennai) Private Limited on the financial statements for the year ended 31 March 2026 (Cont'd)

- (e) In our opinion and according to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) In our opinion and according to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no fraud on the Company has been noticed or reported during the period covered by our audit.
- (b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.
- (c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year
- (xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company, with the related parties are in compliance with section 188 of the Act. The details of such related party transactions have (been disclosed in the financial statements etc., as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act. Further, according to the information and explanations given to us, the Company is not required to constitute an audit committee under section 177 of the Act.
- (xiv) (a) According to the information and explanations given to us, the Company is not required to have an internal audit system as per the provisions of section 138 of the Act. However, the Company has an internal audit system which, in our opinion, is commensurate with the size and nature of its business.
- (b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- (xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, reporting under clause 3(xv) of the Order with respect to compliance with the provisions of section 192 of the Act are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clauses 3(xvi)(a), (b) and (c) of the Order are not applicable to the Company.
- (b) Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CIC .

Walker Chandiook & Co LLP

Annexure A referred to in paragraph 13 of the Independent Auditor's Report of even date to the members of Duet India Hotels (Chennai) Private Limited on the financial statements for the year ended 31 March 2026 (Cont'd)

- (xvii) The Company has not incurred any cash losses in the current financial year as well as the immediately preceding financial year.
- (xviii) There has been resignation of the statutory auditors during the year and based on the information and explanations given to us by the management and the response received by us pursuant to our communication with the outgoing auditors, there have been no issues, objections or concerns raised by the outgoing auditors.
- (xix) According to the information and explanations given to us and on the basis of the {financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information in the financial statements, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) According to the information and explanations given to us, the Company does not have any unspent amounts towards Corporate Social Responsibility in respect of any ongoing or other than ongoing project as at the end of the financial year. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.
- (xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Walker Chandiook & Co LLP

Annexure B to the Independent Auditor's Report of even date to the members of Duet India Hotels (Chennai) Private Limited on the financial statements for the year ended 31 March 2026

Independent Auditor's Report on the internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the financial statements of **Duet India Hotels (Chennai) Private Limited** ('the Company') as at and for the year ended 31 March 2026, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Walker Chandiook & Co LLP

Annexure B to the Independent Auditor's Report of even date to the members of Duet India Hotels (Chennai) Private Limited on the financial statements for the year ended 31 March 2026 (Cont'd)

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts in Rupees millions, unless otherwise stated)

1a(i) Corporate information

Duet India Hotels (Chennai) Private Limited ('the Company') was incorporated on November 26, 2009 under the Companies Act, 1956. The Company is primarily engaged in acquisition, development, operation and management of Hotels in India. The registered office of the company is at Khasra No. 22/1/2/1/1, 2/1/1, 3, 4/1, Plot No. 15/1, Sadar Bazar, Khandsa Road, Gurgaon, Haryana, India, 122001 and the corporate office of the company is situated at 5th Floor, Unit No. Office - 11, Worldmark 4, Asset Area No. LP-1B-04, Gateway District, Delhi Aerocity, Near Indira Gandhi International Airport, IGI Airport, South West Delhi, Delhi, India, 110037.

1a(ii) Basis of preparation

A. Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 (as amended) from time to time notified under Section 133 of the Companies Act, 2013, ('Act') and other relevant provisions of the Act.

The financial statements are approved for issue by the Company's Board of Directors on 19 May 2026.

Details of the Company's accounting policies are included in Note 2.

B. Functional and presentation currency

The financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded to the nearest millions, unless otherwise indicated.

C. Basis of measurement

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. The standalone financial statement have been prepared under the historical cost basis except for certain assets and liabilities (if any) which are measured at fair value.

D. Critical estimates and judgments

In preparing these financial statements, the management has made judgments and estimates that affect the application of Company's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognized prospectively.

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties at the reporting date that have a significant risk of resulting in a material adjustment to the carrying amounts of assets and liabilities within the next financial year is included in the following notes:

- Financial instruments - Note 35
- Measurement of ECL allowance for trade receivables and other assets – Note 35
- Assessment of useful life and residual value of property, plant and equipment and intangible assets – Note 3 and 4
- Estimation of obligations relating to employee benefits (including actuarial assumptions) – Note 27
- Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources – Note 32

AA

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts in Rupees millions, unless otherwise stated)

- Recognition of deferred tax assets: availability of future taxable profits against which deductible temporary differences and tax losses carried forward can be utilized - Note 6
- Leasing arrangements (determining the lease period)

E. Current and non-current classification

Based on the time involved between the acquisition of assets for processing and their realization in cash or cash equivalents, the Company has identified twelve months as its operating cycle for determining current and non-current classification of assets and liabilities in the balance sheet.

F. Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. This includes a finance team of Holding Company that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values and reports directly to the chief financial officer.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2. Material accounting policies

1) Property, plant and equipment

Recognition and measurement

The cost of an item of property, plant and equipment shall be recognized as an asset if, and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Items of property, plant and equipment (including capital-work-in-progress) are measured at cost, which includes capitalized borrowing cost less accumulated depreciation and any accumulated impairment losses. Freehold land is carried at historical cost less any accumulated impairment losses.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Duet India Hotels (Chennai) Private Limited**CIN: U55101HR2009PTC046940****Notes to the financial statements for the year ended 31 March 2026***(All amounts in Rupees millions, unless otherwise stated)*

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Cost of property, plant and equipment not ready for use as at the reporting date are disclosed as capital work-in-progress.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in statement of profit and loss when the asset is derecognized.

Transition to IndAS

The Company had elected to use the fair value of all the item of property, plant and equipment on the date of transition i.e. 1 April 2021, and designate the same as deemed cost.

Subsequent expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.

Depreciation

Depreciation is calculated on cost of item of property, plant and equipment less their estimated residual values using the straight-line method over their estimated useful lives and is generally recognized in the statement of profit and loss. Freehold land is not depreciated.

Depreciation on addition/ (disposals) is provided on a pro-rata basis i.e. from / (up to) the date on which the asset is ready for use/ (disposed off).

The estimated useful lives of property, plant and equipment for current and comparative period are as follows:

Asset*	Management's estimate of Useful Life	Useful life as per Schedule II to the Companies Act, 2013
Building	15-60 years	60 years
Computers and accessories	3-6 years	3-6 years
Plant and machinery	5-20 years	15 years
Furniture and fixtures	5-8 years	8 years

* For the above class of assets, the management based on technical evaluation, has determined that the useful lives as given above best represent the period over which management expects to use these assets. Hence, the useful lives of few assets included in the above asset categories are different from the useful lives as prescribed under Part C of Schedule II to the Act.

The residual values, useful lives and methods of depreciation of property plant and equipment's are reviewed by management at each reporting date and adjusted prospectively, as appropriate.

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts in Rupees millions, unless otherwise stated)

2) Intangible assets

Recognition and measurement

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is recognized at fair value at the date of acquisition. An intangible asset is recognized only if it is probable that future economic benefits attributable to the asset will flow to the Company and the cost of the asset can be measured reliably. Following initial recognition, other intangible asset, including those acquired by the Company in a business combination and have finite useful lives are measured at cost less accumulated amortisation and any accumulated impairment loss.

Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates and the cost of the asset can be measured reliably. All other expenditure, including expenditure on internally generated goodwill, is recognised in profit or loss as incurred.

Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values using the straight-line method over their estimated useful lives and is generally recognized in depreciation and amortization in statement of profit and loss when the asset is derecognized.

The estimated useful lives are as follows:

Category of assets	Management's estimate of Useful Life
Computer software	4-10 years

Amortization methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

3) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset (unless it is a trade receivable without a significant financing component) or financial liability is initially measured at fair value plus or minus, for an item not at FVTPL, transaction costs that are attributable to its acquisition or issue. A trade receivable without a significant financing component is initially measured at the transaction price.

The Company's financial liabilities are initially measured at fair value less any attributable transaction costs. Subsequent to initial measurement, these are measured at amortised cost using the effective interest ('EIR') method.

Borrowings are initially recognised at fair value, net of transaction costs incurred and are subsequently measured at amortised cost. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is considered as a prepayment and amortised over the period of the facility to which it relates.

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts in Rupees millions, unless otherwise stated)

The Company's financial liabilities include trade and other payables, Loans and borrowings including bank overdrafts

Financial liabilities designated upon initial recognition at fair value through statement of profit and loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to statement of profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in statement of profit and loss. The Company has not designated any financial liability as at fair value through statement of profit and loss.

• **Financial liabilities at amortised cost (Loans and Borrowings)**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in statement of profit and loss.

Classification and Subsequent measurement

Financial assets

On initial recognition, a financial assets is classified as measured at:

- Amortised cost
- FVOCI – debt investment;
- FVOCI – equity investment;
- FVTPL.

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial asset, in which case all affected financial assets are reclassified on the first day of the first reporting period following the changes in the business model.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI. This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Subsequent measurement and gains and losses

Duet India Hotels (Chennai) Private Limited**CIN: U55101HR2009PTC046940****Notes to the financial statements for the year ended 31 March 2026***(All amounts in Rupees millions, unless otherwise stated)*

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.
Debt investments at FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

*Derecognition**Financial assets*

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In such case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

*Modification of financial assets and liabilities**Financial assets:*

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts in Rupees millions, unless otherwise stated)

If the terms of a financial assets are modified, the Company evaluates whether the cash flows of the modified asset are substantially different. If the cash flows are substantially different, then the contractual rights to cash flows from the original financial asset are deemed to have expired. In this case, the original financial asset is derecognized and a new financial asset is recognized at fair value.

If the cash flows of the modified asset carried at amortized cost are not substantially different, then the modification does not result in derecognition of the financial asset. In this case, the Company recalculates the gross carrying amount of the financial asset and recognizes the amount arising from adjusting the gross carrying amount as a modification gain or loss in profit or loss.

Financial Liabilities:

The Company derecognizes a financial liability when its terms are modified and the cash flows of the modified liability are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

Fully Compulsorily convertible debentures

The Company has issued fully compulsorily convertible debentures (FCCDs). As per the terms of debenture agreement, each debenture will be converted into equity shares based on an agreed conversion formula (fixed to fixed conversion). FCCDs are separated into liability (as applicable) and equity components based on the terms of the contract. On issuance of the FCCDs, the fair value of the liability component is determined using a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost (net of transaction costs) until it is extinguished or converted. The remainder of the proceeds is allocated to equity since conversion option meets Ind AS 32 criteria for fixed to fixed classification.

4) Impairment

A. Impairment of financial assets

The Company recognises loss allowances for expected credit losses on financial assets measured at amortised cost.

At each reporting date, the Company assesses whether financial assets carried at amortised cost and debt securities at Fair value through profit and loss (FVTPL) are credit-impaired. A financial asset is 'credit- impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit- impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- the restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise;
- it is probable that the borrower will enter bankruptcy or other financial reorganization; or
- the disappearance of an active market for a security because of financial difficulties.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses

- debt securities that are determined to have low credit risk at the reporting date; and

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts in Rupees millions, unless otherwise stated)

- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

B. Impairment of non-financial assets

The carrying amounts of assets are reviewed at each reporting date if there is any indication of impairment based on internal/external factors. If any such indication exists, then the asset's recoverable amount is estimated. Goodwill is tested annually for impairment.

For impairment testing, assets are grouped together into the smallest Company of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGUs. Goodwill arising from a business combination is allocated to CGUs or groups of CGUs that are expected to benefit from the synergies of the combination.

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts in Rupees millions, unless otherwise stated)

The recoverable amount of an individual asset or Cash Generating Unit (CGU) is the greater of its value in use and its fair value less costs to disposal. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset or CGU.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss. They are allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU on a pro rata basis.

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

5) Inventories

Inventories which comprises stock of food and beverages (including liquor), operating supplies and stock-in-trade are carried at the lower of cost and net realizable value. Cost of inventories comprises all costs of purchase and other costs incurred in bringing the inventory to their present location and condition. In determining the cost, first in first out ("FIFO") method is used. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs to make the sale.

6) Provisions (other than employee benefits)

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Expected future operating losses are not provided for.

When the Company expects some or all of the expenditure required to settle a provision will be reimbursed by another party, the reimbursement is recognized when, and only when, it is virtually certain that reimbursement will be received if the entity settles the obligation. The reimbursement is treated as a separate asset.

Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

7) a) Contingent liabilities

Contingent liability is a possible obligation arising from past events whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

b) Contingent Asset

Contingent asset is not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognized.

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts in Rupees millions, unless otherwise stated)

8) Borrowing costs

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalized as part of cost of that asset. Other borrowing costs are recognised as an expense in the statement of profit and loss in the period in which they are incurred.

9) Employee benefits

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, short-term bonus and ex-gratia. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognised as an expense as the related service is rendered by employees.

Post-employment benefits

Defined contribution plan – Provident fund and Employee state insurance

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions and has no obligation to pay any further amounts. Provident fund scheme and employee state insurance are defined contribution schemes. The Company makes specified monthly contributions towards these schemes. The Company's contributions are recorded as an expense in the profit or loss during the period in which the employee renders the related service. If the contribution already paid is less than the contribution payable under the scheme for service received before the balance sheet date, the deficit payable under the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the prepayment will lead to a reduction in future payment or a cash refund.

Defined benefit plan – Gratuity

The Company's gratuity scheme is a defined benefit plan. The present value of obligations under such defined benefit plans are determined based on actuarial valuation carried out by an independent actuary using the Projected Unit Credit Method, which recognizes each period of service as giving rise to an additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of estimated future cash flows. The discount rates used for determining the present value of obligation under defined benefit plans, are based on the market yields on government securities as at the balance sheet date, having maturity period approximating to the terms of related obligations.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income and are never reclassified to profit or loss. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in the profit or loss as past service cost.

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts in Rupees millions, unless otherwise stated)

Other long-term employee benefits – compensated absences

The employees can carry-forward a portion of the unutilized accrued compensated absences and utilize it in future service periods or receive cash compensation on termination of employment. Since as per the policy of the company, the compensated absences do not fall due wholly within twelve months after the end of the period in which the employees render the related service and are also not expected to be utilized wholly within twelve months after the end of such period, the benefit is classified as a long-term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in the profit or loss.

10) Revenue recognition

Revenue is recognized at an amount that reflects the consideration to which the Company expects to be entitled in exchange for transferring the goods or services to a customer i.e. on transfer of control of the goods or service to the customer. Revenue is net of indirect taxes and discounts.

Contract asset represents the Company's right to consideration in exchange for services that the Company has transferred to a customer when that right is conditioned on something other than the passage of time.

When there is unconditional right to receive cash, and only passage of time is required to do invoicing, the same is presented as Unbilled revenue.

A contract liability is recognized if a payment is received or a payment is due (whichever is earlier) from a customer before the Company transfers the related goods or services and the Company is under an obligation to provide only the goods or services under the contract. Contract liabilities are recognized as revenue when the Company performs under the contract (i.e., transfers control of the related goods or services to the customer).

The specific recognition criteria described below must also be met before revenue is recognized:

Room revenue, sale of food and beverages, recreation services

Revenue comprises room revenue, sale of food and beverages, recreation and other services relating to hotel operations. Revenue is recognised upon rendering of the services and sale of food and beverages which is recognised once the rooms are occupied, food and beverages are sold and other services have been provided as per the contract with the customer. Invoices are issued as per the general business terms and are payable in accordance with the contractually agreed credit period i.e., in the range of days of 0 to 90 days.

11) Recognition of interest income or expense

Interest income or expense is recognised using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- the gross carrying amount of the financial asset; or
- the amortised cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts in Rupees millions, unless otherwise stated)

12) Foreign currency

Foreign currency Transactions

Transactions in foreign currencies are translated into the functional currency of the Company at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary items that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Foreign currency exchange differences are generally recognised in profit or loss.

13) Income taxes

Income tax expense comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received that reflects uncertainty related to income taxes, if any. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on the reversal of relevant taxable temporary differences. If the amount of taxable temporary differences is insufficient to recognize a deferred tax asset in full, then future taxable profits, adjusted for reversals of existing temporary differences, are considered, based on the business plans in the Company. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized; such reductions are reversed when the probability of future taxable profits improves.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets and they relate to income tax levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts in Rupees millions, unless otherwise stated)

14) Operating segments

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components and for which discrete financial information is available. Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM)

Identification of segments

In accordance with Ind AS 108 "Operating Segments", the operating segments used to present segment information are identified on the basis of information reviewed by the CODM to allocate resources to the segments and assess their performance.

15) Earnings per share

Basic earning per share

Basic earnings per share is calculated by dividing the profit (or loss) attributable to the owners of the Company by the weighted average number of shares outstanding during the year.

Diluted earning per share

Diluted earnings per share is computed by dividing the profit (considered in determination of basic earnings per share) after considering the effect of interest and other financing costs or income (net of attributable taxes) associated with dilutive potential equity shares by the weighted average number of equity shares considered for deriving basis earnings per share that would have been issued upon conversion of all dilutive potential equity shares.

16) Cash and cash equivalents

Cash and cash equivalents include cash in hand, balance with banks, demand deposits with banks and other short-term highly liquid investments with an original maturity of three months or less.

17) Measurement of earnings before finance costs, depreciation and amortisation and tax (EBITDA)

The Company has elected to present earnings before finance costs, depreciation and amortisation and tax (EBITDA) as a separate line item on the face of the statement of profit and loss. The Company measures EBITDA on the face of profit/ (loss) from continuing operations. In the measurement, the Company does not include finance costs, depreciation and amortisation expense, exceptional items and tax expense.

18) Share Capital

Equity shares

Incremental costs directly attributable to the issue of equity shares are recognised as a deduction from equity. Income tax relating to transaction costs of an equity transaction is accounted for in accordance with Ind AS 12.

19) Leases

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

A

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts in Rupees millions, unless otherwise stated)

As a Lessee

At commencement or on modification of a contract that contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of its relative standalone prices. However, for the leases of property the Company has elected not to separate non-lease components and account for the lease and non-lease components as a single lease component.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use assets is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term, unless the lease transfers ownership of the underlying asset to the Company by the end of the lease term or the cost of the right-of-use asset reflects that the Company will exercise a purchase option. In that case the right-of-use asset will be depreciated over the useful life of the underlying asset, which is determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if the rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

The Company determine its incremental borrowing rate by obtaining interest rates from various external financing sources and makes certain adjustments to reflect the terms of the lease and type of the asset leased.

Lease payments included in the measurement of the lease liability comprise the following:

- fixed payments, including in-substance fixed payments;
- variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- amounts expected to be payable under a residual value guarantee; and
- the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, if the Company changes its assessment of whether it will exercise an purchase, extension or termination option or if there is a revised in-substance fixed lease payment.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts in Rupees millions, unless otherwise stated)

20) Government grants and subsidies

Grants and subsidies from the government are recognised when there is reasonable assurance that (i) the Company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

Service Exports from India scheme (SEIS)

The scheme entitles the Group to receive SEIS licenses basis the annual earnings in foreign currency. These licenses can be utilized by the Group or sold in the market. The grant is recognised in the Statement of Profit and Loss on an accrual basis at realizable value.

21) Recent accounting pronouncements

Ministry of Corporate Affairs (“MCA”) notified new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules 2015, as issued from time to time.

New and amended standards

The Ministry of Corporate Affairs (MCA) has notified amendments to certain Ind AS standards effective 1 April 2025. Amendments to Ind AS 21 provide guidance on assessing exchangeability of currencies and determining spot rates where exchangeability is lacking, along with enhanced disclosures. Amendments to Ind AS 1 clarify principles for classification of liabilities as current or non-current, including the need for a substantive right to defer settlement and treatment of covenants and settlement through own instruments. Further, amendments to Ind AS 7 and Ind AS 107 introduce additional disclosures for supplier finance arrangements to enhance transparency on liquidity risk and cash flows. Amendments to Ind AS 12 introduce a temporary exception for deferred tax recognition relating to Pillar Two rules and require targeted disclosures. These amendments do not have a material impact on the Company’s financial statements.

Standards notified but not yet effective

During the year ended 31 March 2026, MCA notified amendments to Ind AS 1 relating to classification of liabilities with covenants. The amendment revises paragraph 74 to require classification of a liability as current where a covenant breach at the reporting date makes the liability payable on demand, even if the lender subsequently waives the right before approval of financial statements. This reflects that the entity does not have a substantive right to defer settlement as of the reporting date. The amendment is effective for annual periods beginning on or after 1 April 2026 and is to be applied retrospectively in accordance with Ind AS 8. The Company does not expect this amendment to have a material impact on its financial statements.

Notes to the financial statements for the year ended 31 March 2026

(All amounts are in INR Million, unless otherwise stated)

24 Revenue from operations	For the year ended 31 March 2026	For the year ended 31 March 2025
Sale of services		
- Room revenue	175.50	161.92
- Food and beverage revenue	49.11	40.72
- Recreation and other services	6.63	5.35
	<u>231.24</u>	<u>207.99</u>
Disaggregation of revenue information		
	For the year ended 31 March 2026	For the year ended 31 March 2025
a) Revenue based on services		
-Revenue from services transferred to customers at a point of time	231.24	207.99
-Revenue from services transferred to customers over time	-	-
	<u>231.24</u>	<u>207.99</u>
b) Revenue based on services		
-Contracted price revenue/ revenue from contract with customers	231.24	207.99
	<u>231.24</u>	<u>207.99</u>

The contract liabilities primarily relate to the advance consideration received from customers for which revenue is recognized when the performance obligation is over/ services delivered. Advance collection is recognised when payment is received before the related performance obligation is satisfied. This includes advances received from the customer towards rooms / restaurant/ banquets. Revenue is recognised once the performance obligation is met i.e. on room stay/ sale of food and beverage / provision of banquet services. Excess of revenue over invoicing is recorded as unbilled revenue. Revenue recognised in the Statement of Profit and Loss is same as the contracted price.

	As at 31 March 2026	As at 31 March 2025
Contract Liabilities		
Advance from customers	1.26	0.10
Contract assets		
Trade receivables	15.89	12.02

Considering the nature of business of the Company, the above contract liabilities are generally materialised as revenue and trade receivables is converted into cash within the same operating cycle.

25 Other income	For the year ended 31 March 2026	For the year ended 31 March 2025
Interest income from financial assets at amortised cost		
- on bank deposits	0.33	0.52
- on loan to fellow subsidiaries	-	0.75
Provision no longer required written back	-	2.29
Interest on income tax refund	0.11	0.12
Miscellaneous income	0.03	0.11
Gain on foreign exchange fluctuation (net)	-	0.35
	<u>0.47</u>	<u>4.14</u>
26 Cost of materials consumed		
	For the year ended 31 March 2026	For the year ended 31 March 2025
Consumption of food and beverages		
Inventory at the beginning of the year	0.60	0.69
Add: Purchases during the year	15.05	14.18
Inventory at the end of the year	(1.17)	(0.60)
	<u>14.48</u>	<u>14.27</u>
27 Employee benefits expense		
	For the year ended 31 March 2026	For the year ended 31 March 2025
Salaries, wages and bonus	34.56	23.93
Contribution to provident fund and other funds (refer 'a' below)	1.93	1.68
Compensated absences (refer 'b' below)	0.36	0.08
Staff welfare expenses	8.83	7.19
	<u>45.68</u>	<u>32.88</u>

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts are in INR Million, unless otherwise stated)

a. Defined contribution plans

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident Fund, Labour Welfare Fund and Employees' State Insurance, which are defined contribution plans. The Company has no obligations other than to make the specified contributions. The contributions are charged to profit or loss as they accrue. The amount recognised as an expense towards contribution to Provident Fund, Labour Welfare Fund and Employees' State Insurance for the year aggregated to INR 1.93 (31 March 2025 - INR 1.68).

b. Compensated absences (other than long term employee benefits)

The principal assumptions used in determining the obligation are as given below:

Particulars	As at	As at
	31 March 2026	31 March 2025
	%	%
Discounting rate p.a.	6.02	6.49
Salary growth rate p.a.	5.50	5.50
Refer note below for mortality assumptions		

c. Defined Benefit Plan**Gratuity**

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service as per Payment of Gratuity Act, 1972. The scheme is not funded.

These plans typically expose the Company to actuarial risks such as: investment risk, inherent interest rate risk, longevity risk and salary risk.

Investment risk

The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest rate risk

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

Higher than expected increases in salary will increase the defined benefit obligation.

The following tables summaries the components of net benefit expense recognized in profit or loss and amounts recognized in the Balance Sheet for the said plan:

i) Expense recognised in Statement of Profit and Loss

Particulars	For the year ended	For the year ended
	31 March 2026	31 March 2025
Current service cost	0.08	0.05
Past service cost (refer note 39)	0.08	-
Interest cost	0.01	0.01
Total expenses recognised in the Statement of Profit and Loss	0.17	0.06

ii) Remeasurements recognized directly in other comprehensive income

Particulars	For the year ended	For the year ended
	31 March 2026	31 March 2025
Net actuarial (gain)/loss recognized in the year		
- changes in demographic assumptions	-	(0.28)
- changes in financial assumptions	(0.23)	(0.18)
- changes in experience adjustments	0.26	0.47
Amount recognized in other comprehensive income	0.03	0.01

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts are in INR Million, unless otherwise stated)

iii) Change in present value of benefit obligation

Particulars	For the year ended	For the year ended
	31 March 2026	31 March 2025
Present value of obligation as at the beginning of the year	0.17	0.11
Current service cost	0.08	0.04
Past service cost (refer note 39)	0.08	-
Interest cost	0.01	0.01
Actuarial (gain)/loss	0.03	0.01
Benefits paid	-	-
Present value of obligation as at the end of the year	0.37	0.17

iv) Amounts to be recognized in Balance Sheet

Particulars	As at	As at
	31 March 2026	31 March 2025
Present value of the defined benefit obligation at the end of the year	0.37	0.17
Fair value of plan assets at the end of the year	-	-
Net liability recognized in the Balance Sheet	(0.37)	(0.17)
Non-current	0.30	0.13
Current	0.07	0.04

v) The principal assumptions used in determining the gratuity benefit obligation are as given below

Particulars	As at	As at
	31 March 2026	31 March 2025
Discounting rate p.a. (i)	% 6.02	% 6.49
Salary growth rate p.a. (ii)	5.50	5.50

(i) The discount rate is generally based upon the market yields available on Government bonds at the accounting date with a term that matches that of the liabilities.

(ii) The salary growth rate takes account of inflation, seniority, promotion and other relevant factors on long term basis.

Demographic assumptions	As at	As at
	31 March 2026	31 March 2025
Retirement Age (years)	58	58
Mortality Table	100% of IALM (2012-14)	100% of IALM (2012-14)
Withdrawal Rate	%	%
Ages		
Up to 30 Years	72	72
From 31 to 44 years	72	72
Above 44 years	72	72

vi) The Company best estimate of expense for the next year is INR 0.13 (31 March 2025 - INR 0.06)

(This space has been intentionally left blank)

Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

	31 March 2026	
	Increase *	Decrease *
Discount rate (0.5% movement)	(0.01)	0.01
Salary growth rate (0.5% movement)	0.01	(0.01)
31 March 2025		
	Increase *	Decrease *
Discount rate (0.5% movement)	(0.01)	0.01
Salary growth rate (0.5% movement)	0.01	(0.01)

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

* Positive amount represents increase in provision

* Negative amount represents decrease in provision

(Weighted average duration of defined benefit obligation is 1.00 years (31 March 2025: 1.05 years).)

Sensitivity changes due to withdrawal and mortality are not material and hence not disclosed.

There was no change in the method and assumptions used in preparing the sensitivity analysis from prior years.

g) Maturity profile of defined benefit obligation

	As at 31 March 2026	As at 31 March 2025
Year		
0-1 year	0.07	0.05
2-5 year	0.22	0.10
6-10 year	0.03	0.06
More than 10 year	0.15	-
	0.47	0.21

(This space has been intentionally left blank)

31 Earnings per share (EPS)

Basic EPS is calculated by dividing the profit/(loss) for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted EPS is calculated by dividing the profit/loss for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

(Loss)/Net profit attributable to equity shareholders
 Weighted average number of equity shares outstanding during the year for calculation of basic EPS
 Weighted average number of equity shares outstanding during the year for calculation of diluted EPS
 Nominal value of equity share (INR)
 Basic earnings per share (INR)
 Diluted earnings per share (INR)

Total financial liabilities		-	-	365.36

The management assessed that the fair value of cash and cash equivalents, other bank balances, trade receivables, security deposits, margin money deposits, unbilled revenue, trade and other payables and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

Interest rates on non-current borrowings (borrowings from banks) are equivalent to the market rate. Such borrowings are at floating rates which are reset at short intervals. Accordingly, the carrying value of such borrowings approximates fair value.

Fair valuation of non-current financial assets and liabilities has been disclosed to be same as carrying value as there is no significant difference between carrying value and fair value. The company has not done any hedging transactions during the year.

B) Measurement of fair values

There are no transfer between Level 1, Level 2 and Level 3 during the year.

C) Financial risk management

Risk management framework

The Company's activities expose it to a variety of financial risks: market risk (including foreign exchange risk and interest rate risk), credit risk and liquidity risk.

The Holding Company's Chief Financial Officer under the directions of the board of directors implements financial risk management policies across the Company. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, to monitor risks and adherence to limits in order to minimize the financial impact of such risks. The risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

Notes to the financial statements for the year ended 31 March 2026

(All amounts are in INR Million, unless otherwise stated)

1. Market risk

Market risk is the risk that the changes in market prices such as foreign exchange rates and interest rates, that will affect the Company's expense or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

a. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's borrowings obligations with floating interest rates.

The Company evaluates the interest rates in the market on regular basis to explore the option of refinancing of the borrowings of the Company. Moreover, majority of the Company's borrowings are primarily linked to floating interest rates, thereby resulting in the adjustments of its borrowing costs in line with the market interest.

Exposure to interest rate risk

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Increase/ decrease in basis points	Effect on profit (loss) before tax
31 March 2026		
Term loans from banks and financial institutions	100bp	(2.72)
Term loans from banks and financial institutions	-100bp	2.72
31 March 2025		
Term loans from banks and financial institutions	100bp	(3.08)
Term loans from banks and financial institutions	-100bp	3.08

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

b. Currency risk

Currency risk for the Company is the risk that the future cash outflows on account of payables for management fees and other expenditure will fluctuate because of changes in foreign exchange rates. The Company is exposed to the effects of fluctuation in the prevailing foreign currency exchange rates on its financial position and cash flows. Exposure arises primarily due to exchange rate fluctuations between the functional currency and other currencies. The Management evaluates foreign exchange rate exposure arising from foreign currency transactions on periodic basis and follows appropriate risk management policies.

Exposure to currency risk

The Company's exposure to foreign currency risk at the end of the reporting period are as follows:

	Currency	Amount in foreign currency (in millions)	Amount in INR (in millions)
31 March 2026			
Financial liabilities			
Trade payables	USD	0.07	6.26
31 March 2025			
Financial liabilities			
Trade payables	USD	0.22	18.72

Foreign currency sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities:

	Change in USD rate	Effect on profit (loss) before tax
31 March 2026		
	500bp	(0.31)
	-500bp	0.31
31 March 2025		
	100bp	(0.19)
	-100bp	0.19

36 Capital management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business.

The Board of Directors of the Holding company seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowing and the advantages and security afforded by a sound capital position. The Company monitors capital using loan to value (LTV) method to ensure that the loan to value does not increase beyond 65% on any given reporting date at Group level. Loan includes the current and non-current borrowings and Value refers to the market capitalisation of the Group.

The Company is not subject to externally imposed capital requirements.

As a part of its capital management policy, the Company did not have any defaults in the repayment of loans and interest for the current year. The loan covenants have been tested for Duet India Hotels (Hyderabad) Private Limited, Duet India Hotels (Chennai) Private Limited, Duet India Hotels (Jaipur) Private Limited, Duet India Hotels (Pune) Private Limited and Duet India Hotels (Ahmedabad) Private Limited on consolidated basis and there have been no loan covenant defaults during the current year and previous year. Also refer note 38 for key financial ratios.

37 Disclosures under Micro, Small and Medium Enterprises Development Act, 2006 (MSMED)

Dues to micro, small and medium suppliers

The amounts remaining unpaid to micro and small suppliers as at the end of the year:

	As at 31 March 2026	As at 31 March 2025
Principal	5.22	5.35
Interest	-	0.05

The amount of interest paid by the buyer as per the Micro Small and Medium Enterprises Development Act, 2006 (MSMED Act, 2006)

The amounts of the payments made to micro and small suppliers beyond the appointed day during each accounting year.	-	-
---	---	---

The amount of interest due and payable for the year of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under MSMED Act, 2006.

The amount of interest accrued and remaining unpaid at the end of each accounting year.	0.17	0.17
---	------	------

The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under Section 23 of the MSMED Act 2006.

The management has identified enterprises which have provided goods and services to the Company and which qualify under the definition of micro and small enterprises, as defined under Micro, Small and Medium Enterprises Development Act, 2006 (MSMED). Accordingly, the disclosure in respect of the amounts payable to such enterprises as at 31 March 2026 and 31 March 2025 has been made in the financial statements based on information received and available with the Company.

38 Ratios as required by Schedule III to the Companies Act, 2013:

Ratio	In times/%	Numerator	Denominator	31 March 2026	31 March 2025	Increase/ decrease %
(a) Current Ratio	In times	Total Current Assets	Total Current Liabilities	0.31	0.53	-43%
(b) Debt-Equity Ratio	In times	Total Borrowings	Total Equity	3.87	2.86	35%
(c) Debt Service Coverage Ratio	In times	Earnings before finance costs, depreciation and amortisation and tax	Finance costs paid + Principal repayments of long term borrowings	1.04	1.83	-43%
(d) Return on Equity Ratio	In %	Profit/ (Loss) for the year	Average Total Equity	-6.39%	83.12%	108%
(e) Trade Receivables turnover ratio	In times	Revenue from operations	Average Trade Receivables	16.57	20.30	-18%
(f) Trade payables turnover ratio	In times	Purchases + Other expenses	Average Trade Payables	3.74	3.18	17%
(g) Net capital turnover ratio	In times	Revenue from operations	Average working capital	(4.07)	(9.37)	-57%
(h) Net profit ratio	In %	Profit/ (Loss) for the year	Revenue from operations	-2.72%	32.93%	108%
(i) Return on Capital employed	In %	Profit/ (Loss) before interest and taxes	Capital Employed : Tangible Net Worth + Total Borrowing	6.23%	10.16%	-39%

Explanations to variance in ratios:

Current Ratio	Current ratio has been decreased due to increase in trade payables in the current year.
Debt- Equity Ratio	Due to increase in current borrowings as compared to previous year.
Debt Service Coverage Ratio	Due to increase in current borrowings as compared to previous year.
Return on Equity Ratio	Decrease due to loss during the year
Trade Receivable Turnover Ratio	Since the variance is less than 25% there is no requirement to disclose the reason.
Trade Payable Turnover Ratio	Since the variance is less than 25% there is no requirement to disclose the reason.
Net Capital Turnover Ratio	Due to decrease in the net working capital
Net profit ratio	Decrease due to loss during the year
Return on Capital employed	Decrease due to loss during the year

The Company has not presented the following ratios due to the reasons given below:

- (1) Inventory turnover ratio: Since the proportion of such inventory value is insignificant to total assets.
- (2) Return on investments: Since the Company invests surplus temporary funds in short-term bank deposits and the income generated from it is insignificant to total revenue.

Duet India Hotels (Chennai) Private Limited

CIN: U55101HR2009PTC046940

Notes to the financial statements for the year ended 31 March 2026

(All amounts are in INR Million, unless otherwise stated)

- 39 Effective 21 November 2025, the Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020, collectively referred to as the 'New Labour Codes'. The enactment of these codes has resulted in changes to the computation of certain employee benefits. The Company has assessed the impact of these changes in accordance with Ind AS 19 "Employee Benefits" and the guidance issued by the Institute of Chartered Accountants of India (ICAI). The resulting additional employee benefits expense of INR 0.08, is included under 'Employee benefits expense' in the financial statements for the year ended 31 March 2026.
- 40 **Other statutory information**
- (i) The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
